

PMI-ACP® Training

Das erfolgreiche Seminar zur PMI-ACP® Prüfungsvorbereitung – abwechslungsreich, anschaulich und lebendig

Sie haben Erfahrung mit agilen Ansätzen und können gut im Team zusammenarbeiten? Komplexität und schnelle Reaktionszeiten sind Ihr Ding? Dann sind Ihre Talente in vielen Branchen gefragt. Mit dem PMI-ACP Zertifikat zeigen Sie Kollegen, (neuen) Arbeitgebern und Stakeholdern, dass Ihr agiles Wissen fundiert ist. Erhöhen Sie jetzt Ihre Karrierechancen.

Der PMI Agile Certified Practitioner (PMI-ACP) ist eine formale Anerkennung Ihrer Kenntnisse der agilen Prinzipien und Ihrer Fähigkeiten im Umgang mit agilen Techniken. In diesem innovativen Training erlernen Sie – bei gleichzeitig hohem Praxisbezug – den vom PMI® geforderten Prüfungslehrplan und die Terminologie. Mit diesem englisch-sprachigen Training sind Sie bestens auf die Prüfung vorbereitet.

With our innovative modular seminar design, we ensure optimal learning. We focus on all topics relevant to the exam and give you tips for passing the exam in the first attempt. We take care of annoying registration and ordering processes for you with our all-inclusive package. Don't worry, get it done now and get started. Becoming a PMI-ACP® has never been easier. Increase your market value and invest in your future now.

-

What to expect in 21 hours:

You will get everything you need to pass the challenging PMI-ACP® exam on your first attempt in this modular seminar. In the seminar, we will show you proven strategies on how to optimally acquire the extensive learning material. You will receive accompanying coaching and additional individual support from the trainer by phone, email, WhatsApp messaging, and live – online Zoom meeting as many times as needed.

Seminar Services

- 21 hours of intensive PMI-ACP® training – split into 6 modules (4 hours each)
- Comprehensive, full-color seminar handouts with all content and important info on the exam
- Accompanying coaching and additional individual support from the trainer by phone, email, WhatsApp messaging, and live-online Zoom meeting as many times as needed
- [All-inclusive worry-free package](#) bookable
- PMI-authorized trainers who are, of course, long-time PMI-ACP® trainers
- Small seminar group. This allows intensive learning and individual support for each participant.
- Certificate of attendance for your admission to PMI-ACP® Certification
- Seminar language: English

Target audience

- Project managers with initial agile practical experience and an interest in improving their understanding of agile methods.
- Agile practitioners, product owners, scrum masters/agile coaches who want to be more methodologically professional.
- PMP certified project managers who would like to acquire PDUs for their recertification.

Prerequisites for the PMI-ACP Certification

- Secondary degree
- 21 contact hours of training in agile practices
- 12 months of general project experience within the last 5 years OR a current PMP® certification.
- 8 months of agile project experience within the last 3 years

Gain and Maintain Your PMI-ACP

- The certification exam has 120 multiple-choice questions and you have three hours to complete it.
- To maintain your PMI-ACP, you must earn 30 professional development units (PDUs) in agile topics every three years.

Notes as well

- Ideally, you take the exam 2-4 weeks after the seminar. The exam dates will be agreed individually.
- You will earn the 21 seminar contact hours required for admission to the exam, or 21 PDUs accordingly for PMP recertification (14 PDUs Technical Skills / 4 PDUs Leadership Skills / 3 PDUs Strategic & Business Skills).
- If you book our [all-inclusive worry-free package](#), the examination fee of PMI® is also included in the seminar price and we take care of the registration formalities for you

Our guarantee: In the unlikely event that you should not pass the exam on the first attempt, you will receive individual coaching for support.
